

Grow your own food

Grow better produce — Try our special soil blends perfect for Powell River gardens. Check our website to learn more, or come visit our garden centre.

Salish Soils uses fish waste from the Shishalh and Tla'amin territories, certified organic trout from *Agrimarine Lois Lake* in Powell River, forest finds and green waste to create these exceptional, ready-to-use products:

**Potting Soil • Garden Mix • Landscaping Mix
Raincoast Blend • Original Salish Fish Compost**

T&R Garden Center

We carry a wide variety of gardening mediums & decorative rock
